4 Select a seat height

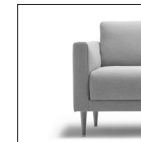

(same price)

43 cm

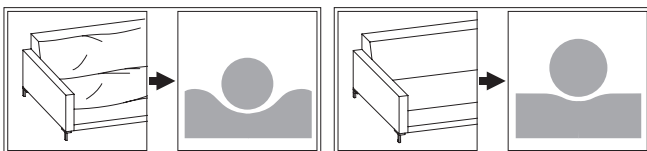

46 cm

49 cm

Important: only possible with legs marked with „*“ (see. point 3)

6 Select a level of seating comfort

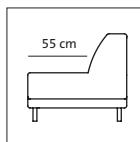

Comfort: Lounge (surcharge)

Comfort: Classic

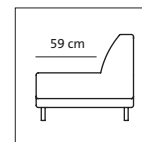

Please note: The less firm upholstery techniques used for the "lounge" comfort option can result in greater surface creasing.

5 Select a seat depth

(same price)

normal-depth (55 cm)

over-depth (59 cm)

The seat depth must be defined at point 7.

Note: Different seat depths can be coupled across corners. For this, use EPT or E-ASO models with different seat depths.
